

Propane Certified Employee Training Program (CETP)
Books 1, 4.1, 4.2, 4.3 & 4.4 – F.W. Webb - 3091 Cold River Road - Rutland, VT
Summer 2017 (see dates below) – 8:00am – 4:00pm – Book 1 starts June 20

Book 1–*Basic Principles & Practices of Propane*
Book 4.1–*Designing and Installing Exterior Vapor Distribution Systems*
Book 4.2 - *Placing Vapor Distribution Systems and Appliances into Operation*

Book 4.3 - *Installing Appliances and Interior Vapor Distribution Systems*
Book 4.4–*Basic Electricity for Propane Appliance Service.*

PLEASE NOTE: Testing on each book is conducted as required by the State of Vermont. **Book 1 is required for certification in any other book.** These seminars are for delivery drivers, service technicians, service managers, dispatchers, apprentices, office personnel, plumbers and service technicians that install gas equipment. More information can be found at www.npga.org.

THE DETAILS:

Attendance Policy: Students must complete the total hours for each Book. Each class is limited to 20 students.

Pre-Register: Pre-registration for each Book is due prior to the beginning of each Book. See registration form for specific registration deadline dates. VFDA will do its best to accommodate registrations received after the deadlines, but late registrants will be assessed additional costs incurred by VFDA for express shipment of additional orders of Books and Exams from NPGA and ITS. Manuals will be given to students in the order that registrations were received at VFDA.

Students must bring the current version of NFPA 54 (2015) and/or NFPA 58 (2014). See registration form for referenced publication details. ***Students who come to the class without the correct version will not be able to take the course.*** If the VFDA instructor has available copies of the NFPA codes required to take the CETP Module, any student showing for a CETP course without the correct version of NFPA 54 or NFPA 58 will be given a copy from VFDA stock and billed \$60 per book. VFDA will not loan NFPA Code Books to students.

RETESTS: If you need to retest for a book, there is a \$100 fee per test. This does not include the instructor's time and travel fees if the test is administered separate from the VFDA CETP Series. If you would like more information about these fees, please contact Stephanie at 802-230-4722 or email steph@vermontfuel.com.

Cancellation: VFDA reserves the right to cancel any and all seminars for lack of student registrations. Pre-registered students will be notified of cancellation using the contact information provided on the completed registration form. Firms that prepaid for cancelled seminars will receive a full refund. Decisions concerning cancellation of seminars are made at the end of the day on the registration deadline date for each Book/Class.

Certificates: Suitable for framing, will be sent to all students successfully completing this seminar.

Dates: See registration form for specific dates. Actual session dates may change, due to unforeseen factors.

NPGA: This program is taught by an NPGA-approved instructor, using NPGA curriculum.

Skill Assessments: The Skill Assessment Forms must be signed and **returned to ITS within one year** of the date of the test for each book. If this does not happen, **you will have to take the books over again.** Knowledge Assessment Forms must be completed and retained in the employee file at the company location.

Lunch: Students are on their own for lunch (30 minutes). Available locally.

Student Cancellation: All cancellations must be made in writing to VFDA on or before the Registration Deadline. *Firms registering students and failing to attend without written notice to VFDA will be liable for the full tuition. Cancellation by registrant after the registration deadline, leaves the registrant liable for 50% of the tuition.*

Questions? – Contact VFDA at 802-230-4722 or email steph@vermontfuel.com

Propane Certified Employee Training Program (CETP)
Books 1, 4.1, 4.2, 4.3 & 4.4 – F.W. Webb - 3091 Cold River Road - Rutland, VT
Summer 2017 (see dates below) – 8:00am – 4:00pm – Book 1 starts June 20
