

Champlain Valley Weatherization Services (CVWS) a program of Champlain Valley Office of Economic Opportunity (CVOEO), is looking to procure qualified Heating Contractors, to provide services for our low-income clients within our Weatherization program in the areas of Franklin, Grand Isle, Chittenden and Addison Counties. Last CVWS spent over \$450,000 for these services. We're looking to increase the number of clients that we service, this winter, and into the new year and we're seeking your assistance to provide our clients with a warm, safe and healthy home. We are seeking qualified Heating Contractors to assist us with three distinct services. The three services are: Clean & Tune and Evaluation; Heating System replacements; and Emergency Heating System repairs and replacements. Contractors may bid on one, a combination of, or all three services. We encourage you to bid on the services that you are interested in assisting our clients with. Contractors will not be disqualified for bidding on only select services. We need qualified Contractors to provide our clients with safe and efficient heating systems and are excited to have you partner with us to provide these services. Our current round of Request for Proposals will be open until December 12<sup>th</sup>. Bid openings will take place on December 13<sup>th</sup>. Please feel free to contact Nathan Banyea at 802-891-9697 ex 320 or [nbanyea@cvoeo.org](mailto:nbanyea@cvoeo.org) for bid documents or with any comments you might have.
