

VERMONT FUEL EFFICIENT OILHEAT REBATE

If you live in Vermont and install a new and more efficient oilheat system, you may be eligible for a \$400 rebate.

Send us an invoice or statement verifying a new and more efficient oilheat boiler or furnace was purchased and installed along with this completed rebate form. Check on the status of the program at vermontfuel.com/rebate.

I understand that to qualify for the \$400 Vermont Fuel Efficient Rebate, the oilheat equipment must be installed in a primary residence in the state of Vermont by a Vermont Certified Oilheat Technician. Rebates will only be processed if this completed form and proof of purchase is sent to the address below. I understand that a complete form must include the name of installer, the installer's Vermont Oilheat Certification number, as well as a description of both the equipment being installed and removed.

Terms and Conditions: The oilheat boiler or furnace must be installed in a primary residence in the state of Vermont after July 1, 2021. The new heating system must be more efficient than what is being replaced to qualify for the rebate. The rebate check will be distributed directly to the customer **only** if this completed form and proof of purchase is received before June 20, 2022 **or before funds are exhausted**, whichever comes first. **Only one rebate per customer.** The program is subject to change without notice. Installed equipment is not guaranteed expressly or implicitly. No particular manufacturers or products are endorsed through this program. Allow 45 calendar days for delivery of payment. Incomplete or missing information will delay or deny rebate processing. Any equipment qualifying for a rebate must be installed by a Vermont Certified Oilheat Technician. **A list of individuals and companies that provide this service can be found vermontfuel.com/rebate.**

The Vermont Fuel Efficient Oilheat Rebate is brought to you by the Vermont Fuel Dealers Association in partnership with National Oilheat Research Alliance.

Send this completed form and proof of purchase to:

Vermont Fuel Rebate, P.O. Box 1370, Montpelier, VT 05601
