

She began to cry when I told her she was to receive a free delivery of fuel and said:
"I am grateful to live in a country that takes care of its people in times of need."

**GIVE THE GIFT OF WARMTH THIS WINTER
DONATE TO THE SPLIT FUND**

**You can help provide heat to a neighbor in need this winter by splitting the delivery ticket in half.
All financial contributions to the Split Fund are matched with a donation of heating fuel.**

Vermont's local heating fuel and service providers are often the first to hear about and respond to a heating emergency. This program gives fuel dealers, as well as local businesses, organizations and individuals, the opportunity to provide a gift of warmth to someone in their community. Over the past 13 years, the program has arranged the delivery of over 100,000 gallons of free heating fuel to Vermonters in need.

"Words cannot express how blessed and thankful we are for this amazing gift, enough thank you's cannot be given to everybody who took part. Please from the bottom of my heart know how truly grateful I am for the little bit of weight it truly helped take off my shoulders! This program is truly heaven sent!"
— Split the Ticket Recipient

"When the truck arrived she called me frantic telling me that she never called for a delivery. I told her it was a Split the Ticket donation. There was a moment of silence. I asked if she was still there. She was crying and could not talk. Thank you for such a wonderful program."
